SOME OF THE HAPPENINGS OF 2011

- As of Nov 1st, 437 visitors had passed through the Mission compound, most on mission to the hospital. *Thank you to all who came & gave their time, resources and efforts for those who need it most.*
- The Kibogora University development program has been started
- Over 300 patients, family members and staff introduced to Jesus for the first time.!
- Julie on a one year deputation in the US
- Sheila e based in the UK since July and making short trips to Rwanda to fulfil responsibilities
- A full survey and architectural plan has been developed by eMi for the hospital.

PLEASE PRAY FOR THESE PLANNED HAPPENINGS FOR 2012

- The start of an ongoing partnership with German and Dutch medics
- The opening of the Kibogora university which will be influencing many students for Christ as good quality education is given.
- Sue Prullage, Edi Mercke, Julie Yerger and SE to be contributing to the improvements in hospital life and care.
- The chaplaincy team to be extended
- The start of a huge construction project at the hospital.
- The start of a community programs for the elderly, physically and mentally handicapped .

Some of the 214
staff members
Including

- 15 doctors
- 98 nurses
- 54 hygiene
- 14 technicians

Would you join with us in praying for all of these developments; for the needed resources, Christian personnel and for the encouragement of the staff at Kibogora.

God bless you Sheila e
